

HELEN ANDERSON TRUST

TEE BALL COMPETITION

An introduction to the 2014 Special Needs Tee Ball Competition

Proudly brought to you by

Hi

We would like to introduce you to a wonderful opportunity for your organisation...The Helen Anderson Trust Tee Ball Competition.

This competition was started by the Helen Anderson Trust 7 years ago (hence the name) and is now run and hosted by the Canterbury Softball Association. We are able to offer world class facilities, excellent coaching support, all the necessary equipment and staff that are passionate about delivering a positive tee ball experience to one and all... at no cost!

Tee Ball provides a “user friendly” sport, accessible to people of all ages and abilities and we hope that you will join us for another great season.

Competition involves approximately a one hour commitment each Thursday from late January through until mid-April. We begin the season with 2 weeks of skills sessions (if there is demand for them). We would encourage any potential newcomers to come along and have a go at the skills sessions. This will provide a nice introduction to what we are able to offer and will be beneficial for players and staff alike. The competition is expected to start 5th February.

If this is an initiative that you would like to learn more about please contact me. I am more than happy to meet with you and/or staff within your organisation to let you know about all the benefits of this competition and what is involved in participating.

Alternatively, you can get it straight from the horse’s mouth and talk to some of our existing teams a number of which have been with us since the start. Our 2014 teams came from Helen Anderson Trust, Idea Services, Skillwise, Alpha, AJ’s Day Option, Horizons, Alpha Support Services and the Chris Ruth Centre.

As per the timeline on the next page, we will be calling for entries in December so keep an eye out for that or bite the bullet and contact me. Likewise, feel free to contact me with any enquiries. I look forward hearing from you.

Many thanks

Moira Annandale
